Edmonton Symptom Assessment Scale

What best describes how you felt during the last 24 hours? If needed, you can ask a family member, carer or staff member to help you.

Absent/Best **Worst**

0	1	2	3	4	5	6	7	8	9	10

0 Dark Green – No problem at all
1 Light Green – A small problem, but it is manageable
5 Orange – A moderate problem and more difficult to manage
10 Red - A big problem and very difficult to manage
